Dear Owners and Residents,

You were recently advised that effective March 1, 2026, the community gate code would be updated to:

New Gate Code: [REDACTED]

For those who may be wondering why the previous code is still functioning, please note that the prior gate code [REDACTED] will remain active through April 1, 2026. After that date, the old code will be permanently retired, and only the new code [REDACTED] will operate the gates.

This transition period is intended to allow residents and service providers time to update their records and avoid any disruption in access.

For security purposes, please remember not to share the gate code outside of your household or authorized service providers.

Thank you for your cooperation in helping maintain a safe and secure community.

Sincerely,

Premier Community Association Management on behalf of Americana Gardens Homeowners Association
