If you would like to respond to this notification, please place your response above the dotted line.

Dear Homeowners,

For the safety of our community, we are requesting that all owners complete and return the attached Emergency Access Information Form.

In the event of an emergency—such as a fire, gas leak, water intrusion, or other urgent situation—it is critical that the Association is able to either gain access to your unit or contact someone who can provide access immediately. Delays in these situations can result in significant damage not only to your unit, but also to neighboring units.

Providing this information helps ensure we can respond quickly and effectively to protect both your property and the community as a whole.

Please complete and return the form at your earliest convenience.

Thank you in advance for your cooperation and for helping us maintain a safe and well-managed community.

If you have any questions, please feel free to contact Management.

Sincerely,

Premier Community Association Management on behalf of Americana Gardens Homeowners Association
