Subject: [#XN121425] Americana Gardens Homeowners Association - Trash Enclosure Update
Date: April 27, 2026 at 3:28 PM
To: [REDACTED]

If you would like to respond to this notification, please place your response above the dotted line.

We would like to provide an update regarding the trash enclosure improvement project.

While the project is nearing completion, the contractor will be returning on Tuesday, April 28th to resume work, with the goal of fully completing the enclosures that day. The crew was unable to work Friday or today due to prior commitments.

At this time, portions of the work remain unfinished, including final paint completion, touch-up items, and remaining trim details. We understand the current appearance may give the impression that the project has been left incomplete, and we want to assure residents that the Board and management are fully aware of the remaining items and have a plan in place to bring the project to completion.

We appreciate your patience as we work through the final phase of this improvement and are hopeful the work will be completed by the end of the day on Tuesday.

Thank you for your continued understanding and support as we strive to enhance the community.

Sincerely,

Premier Community Association Management on behalf of Americana Gardens Homeowners Association
