If you would like to respond to this notification, please place your response above the dotted line.

Dear Residents,

Please be advised that the community water service will be temporarily shut off on **Thursday, June 4**, from approximately **8:30 a.m. to 1:30 p.m.**

The shut-off is necessary to reset the water line in the area where the exterior planter box is being removed from the building.

We understand that interruptions to water service can be inconvenient and will make every effort to complete the work as efficiently as possible and keep the water off for the shortest period of time necessary.

We appreciate your patience and understanding as this improvement work is completed.

Sincerely,

Premier Community Association Management on behalf of Americana Gardens Homeowners Association
