Help Keep Our Community Clean

July 15, 2026

A Message from Americana Gardens Homeowners Association

Dear Homeowners,

The Board of Directors would like to ask for everyone's assistance in helping keep our community clean and attractive.

Following trash collection, we have noticed an increase in small debris, such as tissues, paper towels, and loose paper, left scattered around the dumpster enclosure. These lightweight items can easily become airborne when the dumpsters are emptied. Please place these items in a securely tied trash bag before placing them in the dumpster to help prevent litter throughout the community.

We also ask that all residents do their part by:

- Picking up after your pets and properly disposing of dog waste.
- Properly disposing of cigarette butts in an appropriate receptacle rather than leaving them on the ground or in landscaped areas.

These small efforts make a big difference in maintaining a clean, safe, and enjoyable community for everyone.

Thank you for your cooperation and for doing your part to help keep our community looking its best.

Sincerely,

Premier Community Association Management on behalf of Americana
Gardens Homeowners Association
