Main Pool & Spa Upgrade Update

November 15, 2026

A Message from Americana Gardens Homeowners Association

Dear Homeowners - We apologize that the main Pool & Spa upgrades could not be completed by the originally scheduled date of November 13th. Due to unforeseen circumstances, the anticipated completion date has been extended to November 18th - 20th.

For everyone's safety, the main Pool and Spa area must remain closed and off limits until both facilities are fully operational and officially reopened.

We kindly ask that all residents continue to avoid entering the main Pool & Spa area during this time. It is essential that the equipment be fully functional and the water properly balanced before either facility is used.

We appreciate your contined patience and understanding.

Sincerely,
Premier Community Association Management on behalf of Americana Gardens Homeowners Association
