FOR AMERICANA GARDENS HOMEOWNERS ASSOCIATION**

FEBRUARY 5, 2021

To All Members

**Re: Notice of Extension of Deadline by Which Completed Ballots Must be
Returned in Order to Permit More Owners the Opportunity to Vote**

Dear Americana Gardens Homeowners Association Members:

As the appointed Inspector of Elections, I have the duty and responsibility to advise you that sufficient ballots had not been received prior to the deadline. Thus, the undersigned, as the **Inspector of Elections, hereby gives notice that the polls shall remain open and Members shall be entitled to vote up until March 5, 2021 at 5:00 p.m.** in order to permit those Members, who have yet to vote, more time to cast their votes and submit their ballots. Ballots must be received by the Inspector of Elections by no later than that date and time in order to be counted. Please note that consistent with California law, ballots already cast are irrevocable and, as such, those Members who have already voted cannot change their ballots or attempt to vote again. If you have already submitted your ballot, there is nothing further for you to do. **If your ballot has not been received by the Inspector of Elections, the Association will send an additional ballot packet for your ease of use shortly. Please note to save Association expense and since the text of the Restated Bylaws have already been sent to you, they will not be included within the ballot packet. If you cannot locate the Restated Bylaws that were previously provided to you, you may contact management and they will be sent to you upon your request.**

Should you have any questions about the issues presented in the ballot measure, please contact the Association's Manager, Yvonne Reyna at Desert Management. You may reach her at 760-325-4257 or yreyna@desertmanagement.com.

Please take notice that, once official balloting has been closed, the ballot envelopes will be opened and counted, consistent with California law, during an Open Board meeting.

We thank all Members who have or will vote to make it possible for the Association to meet the requirements of its governing documents in seeking Membership approval and/or disapproval of the proposed ballot measure.

Sincerely,

NLB Consulting for the Board of Directors
Inspector of Elections
