Please prepare for the entry way to your unit to be Power Washed on the date that corresponds to your Unit number. It is possible that any personal property you have displayed on the grounds or attached to any portion of the entry way leading to your front door could be damaged by the Power Wash equipment. Even items that may have been previously approved for display by way of an Architectural Variance Request could be harmed by a Power Wash. So please remove them from the common area during the day that your unit is scheduled to be washed.
