

EXHIBIT "C"**MAINTENANCE MATRIX**

The following is a listing of the major components within the Project and the party (Owners or Association) that is responsible for routinely maintaining, repairing and replacing said components. This allocation may not apply in situations where damage is caused by the negligence or willful misconduct of any party. Unless otherwise specifically indicated below, the assignment of responsibility includes maintenance, repair, replacement and painting (if painting is applicable).

In certain situations, the Association's insurance coverage may provide for the repair/replacement of components that are designated as the Owners' maintenance responsibility under the Declaration, including this Matrix. These circumstances shall not be deemed to be, or construed as, modifying the routine maintenance, repair and replacement duties set forth herein.
